Two review lessons before the end-of-term exam — the plan

Lesson 1 about a week before the exam; lesson 2 two or more days later.

Minutes	Activity	What you prepare
15	Closed-book retrieval quiz, no mark	10 questions mixed across all the units
7	Self-marking, and counting hands per question	The answers, and the mistake tally on the board
18	Mistakes round in pairs: Where is the mistake? Why did it look right? Correct it and check	4 mistakes from your class, no names
5	Exit slip: two topics I need, one question I don't understand	Small slips

Lesson 1: retrieval and mistakes

Minutes	Activity	What you prepare
5	The three most-missed questions, with new numbers	The mistake tally from lesson 1
20	Mixed practice at two levels, ten minutes with a small group	A sheet from every unit
12	The “right or wrong?” game in teams	10 worked answers, half with a mistake
8	Self-check list: I can / I need practice / I can't yet	The list of skills

Lesson 2: practice and self-check

My class's four mistakes (for the cards)

1 · 2 · 3 · 4

The three most-missed questions in lesson 1

The small group in lesson 2: topic and names
