Reading the report card: a one-page sheet

For each subject write both marks and the class average, then one line. Circle one or two subjects, and take the five questions to the teacher.

Five questions for the teacher

- [ ] What makes up the mark in this subject? How much is tests, and how much homework and participation?
- [ ] What have they mastered in this subject, and what not yet?
- [ ] Could I see a piece of their work that shows this?
- [ ] When you wrote your comment, when do you see that, and what does it look like?
- [ ] What is one thing we can do at home, and when do we check in again?

The step we agreed · The check-in date
