The school development plan on one page, with its monitoring table

Three priorities at most. Each has a goal from a number to a number by a date, actions with an owner, a date and evidence, and one thing the school stops. Review the second table in a meeting every month.

The plan

Priority 1

Goal (from … to … by …), actions, owner and date, evidence, and what we stop

Priority 2

Goal, actions, owner and date, evidence, and what we stop

Priority 3

Monthly monitoring table
