The weekly check-in — question card and note

Once a week, at the same time, in the same order. 20 minutes.

1. **The best thing this week (3 min)**
   “Which lesson made you laugh?” “Who did you sit with at break?”

2. **The hardest thing this week (5 min)**
   “In which subject did the lesson feel faster than you?” “Did something happen with someone?”

3. **What's coming next week (4 min)**
   “A test, a project, something to hand in? Which day?”

4. **One step to try (4 min)**
   “Did last week's step help? What's the first thing you'll do?”

5. **How can I help (3 min)**
   “Do you need something from me, or is it enough that you told me?”
